Bubbly STEAM

Fri 4th Aug: 10.30am, 12.15pm & 2pm
Sat 5th Aug- 2.15pm & 3.30pm
Sun 6th Aug- 2.15pm & 3.30pm
Duration: 60 mins
Garter Lane Arts Centre, 7+ years, FREE

Will there be steam? There might be! Find out the mysteries of bubbles and balloons in an amazing show of sonic booms, square bubbles, bouncing bubbles, self inflating balloons, balloon vehicles and much more! Award winning balloon artist and Guinness World Record holder, Bubbly (aka Caroline Ainslie) enables children to love learning AND enjoy STEM (Science, Technology, Engineering and Maths) using huge balloons, soap bubbles and laughter.

The Real Science of the Circus

Sat 5th Aug- 10.30am & 12.15pm
Sun 6th Aug- 10.30am & 12.15pm
Duration: 60 mins
Garter Lane Arts Centre, 7+ years, FREE

The Real Science of the Circus is a show like no other. Spectacular juggling and balancing tricks are used together with lots of volunteer help to show how forces combine when real circus performers show off their skills. Performed by James Soper, the juggling scientist, teacher, ex-circus performer and Guinness World Record Holding juggler. "I never knew science could be so much fun!" The British Science Association
